Re. No. 384/HB/38

Station Madras, *Dated the* 1 May 1938.

From (Name) F. Sayers, Esquire, C.I.E.,
(Designation) Inspector-General of Police, Madras.

To The Secretary to the Government of Madras,
HOME Department.

Sir,

I have the honour to submit herewith for the approval of the Government a plan and an approximate estimate amounting to Rs.7,500/- for the construction of a police outpost and huts for 1 Head Constable and 3 Constables at Hebri in the South Kanara District.

2. Rented accommodation at Hebri is difficult to procure and the Outpost and the staff and their families are now housed in an unsuitable building which was a bazaar shop.

No

No other suitable building is available in the locality and the construction of the Outpost and huts for the staff is, therefore, I consider, necessary.

3. The Outpost has jurisdiction over a number of interior villages and it is 20 miles from Karkal, the parent station. When accused persons are arrested in the Outpost limits, their detention in the Outpost for one night is usually unavoidable and for this purpose, a lock-up is necessary and has been provided for in the estimate.

4. The "Statement to accompany the estimates costing over Rs.5,000/-" is enclosed.

5. As there is a well belonging to this Department close to the site for the buildings, and as no latrine is necessary at present, the provision made for them in the estimate may, I suggest, be deleted and the estimate approved for Rs.6150/-. A wire fence to keep out animals is proposed. A Madras thorn fence or hedge will not survive in the locality.

6. The present proposal will result in a saving in rent of Rs.120/- per annum.

7. The work, if approved, will be carried out by the Public Works Department and the cost met from their lump sum grant for Police Minor Works in the Civil Works Estimate for 1938-39.

I have the honour to be,

Sir,

Your most obedient servant,

for Inspr.-Genl. of Police.

Extract of notes from the G.O. relating to Buildings-Trichinopoly District- Musiri - Quarters for Police staff-Construction p Papers recorded - G.O.No.143 Public (Police) dated 21.3.34.

We have had a number of requests for compound walls (instead of wire or other fences) on the plea of privacy. A Madras thorn hedge costs far less and affords an equal amount of privacy. Is there any particular reason why this should not be done? I think a sentence may be added to the note for the Finance Committee to the effect that the possibility of providing for a thorn hedge instead of a wall will be examined before the work is executed.
